Worlds.....

EXPLORE

Create an unique underwater world and enjoy getting to watch the grow and development of the environment.

EASY

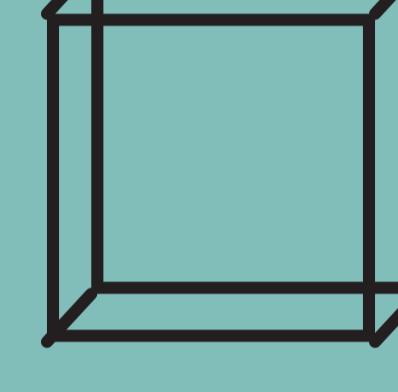

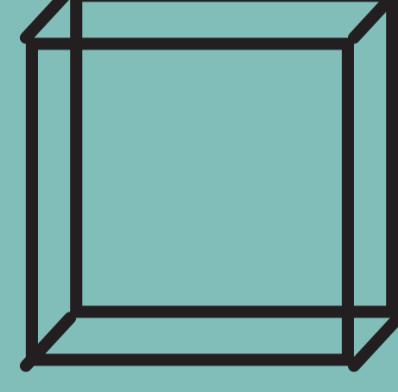

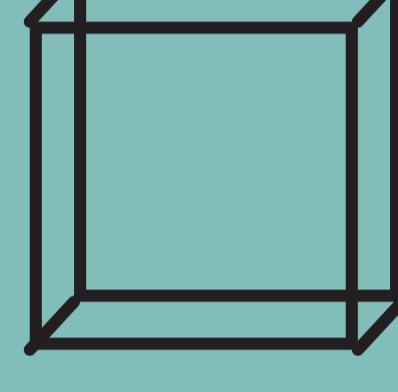

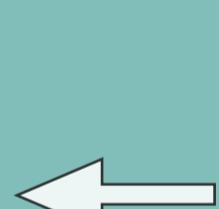

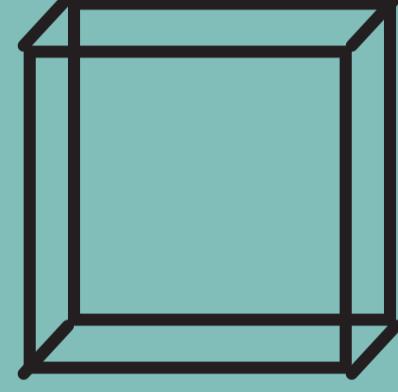

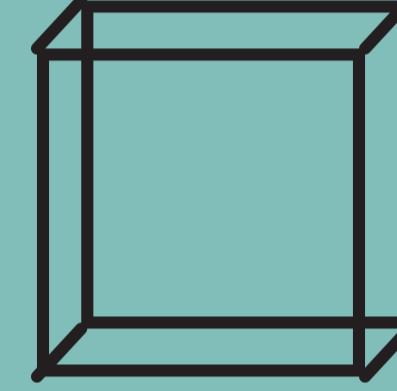

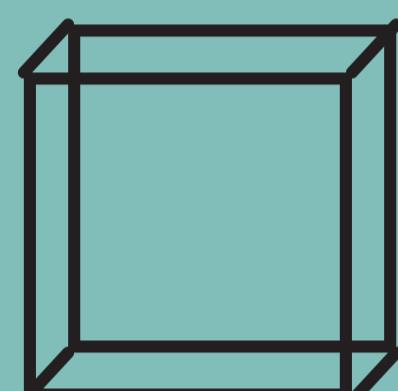

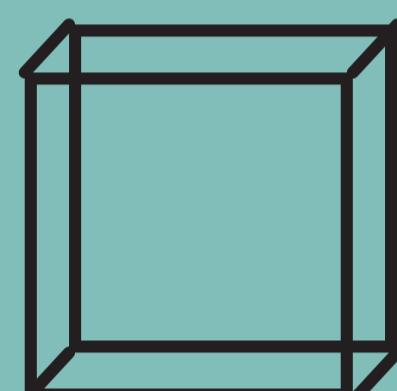

Whether you're are new to the hobby or have years of experience Akua provides a quick and easy service to get your new tank up and running.

ELEGANCE

Each of our custom tanks are designed by a professional aquascaper to create a elegant and intriguing underwater environment.

How it works

SHARING OUR PASSION

The relaxation and elegance of a beautifully aquascaped aquarium brings the beauty of nature into any space.

Providing a affordable and easily accessible service that opens people up to the world of aquascaping is what Akura aims to provide. Beautiful and peaceful scenes

create a tranquil and sophisticated look for the home or office. Experience the joy of an experienced aquarist with the help of our custom and pre-designed aquariums.

FISH

Extras

It's important to make sure that the fish that you have chosen won't get in each others way. We provide insight into what fish live well together and which fish should live alone.

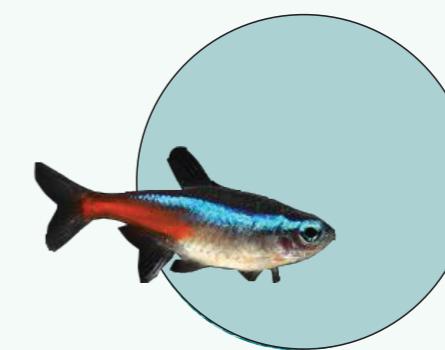

Many of the smaller fish prefer to live in schools rather than alone and create a beautiful schooling effect in the aquarium when in larger numbers.

More aggressive fish, like

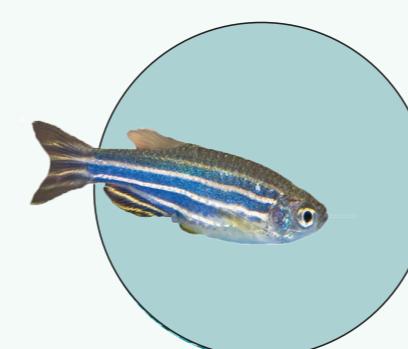

ZEBRA DANIO
